DEDICATION

"Academic excellence" are the words that best characterize the goal of the Chaminade faculty. One of the teachers most responsible for this reputation is Bro. William McCall. He has been with us since 1957, and is considered one of the founding brothers. The students of the Canoga Park campus recognize him for his committment to learning and his ability to communicate with others. Besides teaching English, he is moderator of the High Sierra Club, which has been active in summer treks in the wilderness. The student body wishes to express appreciation for his outstanding work and acknowledge his contribution to our school.

NEW SPIRIT

There's a new spirit around our school, and its essence is being recognized by faculty and students alike. A new decade has come upon us, bringing with it fresh knowledge, attitudes, and challenges to a receptive world. In this same spirit of change, our school too has acquired a new look. New teachers are giving the students a different view of the traditional academic areas, as well as making possible opportunities for student-expression through clubs and athletics. Recent expansion in the new science wing and gym is providing Chaminade with some well-deserved advantages, and the changing interests of students have embodied themselves in the sights and sounds around us. New faces, new growth, new trends . . . they all add up to a new spirit that is alive and growing!

HOMECOMING

The excitement aroused by an undefeated football team insured a very spirited Homecoming week '79. Specific themes for each day were designated by Student Council, and the active cooperation of students helped to make the week an enjoyable success. Amid much cheering the Varsity team emerged victorious, defeating Bell Jeff 7-0. At half time five of Chaminade's most dedicated young women were presented, and Dolores Uribe was honored as Homecoming Queen. The evening dance was highlighted by the music of "Undercurrent", and "The Pipers", who provided a variety of music to fill the decorative Student Center.

SOPHOMORE WELCOME WEEK

1779... 1879... 1979... the harsh days of slavery have reappeared to haunt wary Sophomores. The traditional slave auction was held in true colonial style, and proved very successful as a senior class fund-raiser. The week of good-natured bondage had the Sophs "dressing-up" for the occassion, displaying creativity in the talent costume show, and rebelling against their masters in the senior car wash. "Jon Landon and the Drelbs" were featured in the annual Senior-Sophomore dance. Well received by all, it culminated a week of fun-filled memories.

DEPT. OF SCIENCES

What is your desire? To see the farthest star? Analyze the path of a wave? Test your blood type? Dissect a fetal pig? Or would you rather witness an unusual chemical reáction?

Chaminade seeks to fulfill the intellectual curiosity of young men and women interested in the sciences of the world around them. This year we have been fortunate enough to acquire much of the latest equipment for our newly developed physics lab. Courses offered: Introductory Lab Science, Chemistry, Physics, Biology, A.P. Chem and Physics, and Physiology.

DEPT. OF MATHEMATICS

Who claims mathematics to be impracticle in real life? Our excellent Chaminade mathematics program proves otherwise. Teachers and students have become convinced of the relevance of mathematics in all aspects of life, and it is this recognition (along with a lot of hard work and concentration!) that produces "budding mathematicians" within our student body. Courses offered: Mathematical concepts, Pre-Algebra, Alg., Alg.-Trig., Geometry, Adv. Geom., Adv. Alg.-Trig., A.P. Calculus, and Business Math.

DEPT. OF ENGLISH

English - we are only beginning to discover the potentialities behind this great language of ours. At Chaminade, emphasis is placed on English grammar, reading comprehension and interpretation, and self-expression through writing. Students examine the growth of our written language, and hope to gain from this analysis a deeper understanding of man as he expresses himself through literature. Courses of study: Developmental Reading, Intro. to Literature, Lang. Skills, Speech, American Lit., English Lit., A.P. English, West. Drama, Creative Writing, Writing for College.

DEPT. OF LANGUAGES

Bienvenidos! Guten Tag! Bonjour! Solvete! Greetings from Latin America, Germany, France, and Ancient Rome! This year, the Chaminade language department has truly grown. Insights into regional cultures are allowing students to discover the color and life of the people who really make the language "come alive." Students are especially encouraged to speak in class (as long as it's not English they are speaking!) and prepare oral presentations. The department offers the following foreign languages for study: Latin I, II, III, IV; Spanish I, II, III, IV; French I, II, III, IV; German I, II.

SOCIAL STUDIES DEPT.

As the years go by, the student recognizes the importance of history; he acknowledges that yesterday has made us what we are today, and today is predicting what we will experience tomorrow. Beyond the obvious people, places, and events, teachers at Chaminade encourage a ***creative interpretation*** of historical material. This year's enthusiasm was reflected in the vibrant senior government class convention, which explored the fascinating game of politics. Courses offered: Afro-Asia History, Ancient History, U.S. History (8th and 11th), U.S. History-A.P., American Gov., World History, California History.

FINE ARTS DEPT

Let your imagination go. . . experience something in a very unique and personal way. . .

Many students are finding means for enjoyment and self-expression in the area of fine arts. Knowledge becomes not only a learning experience, but a creative experience. This year, Chaminade is fortunate to have some very talented instructors whose encouragement promotes the development of individual talent and an atmosphere of just plain fun. Students exhibit talent in the following courses: Art I, II, III; Chorus, Dance I, II; Drama I, II, III; Mass Communications.

SANTA FE LEAGUE
CHAMPIONS

A very impressive season was completed this year by the Eagles at the close of the Rio Mesa game. Although the Varsity team lost, they did capture the Santa Fe League title. Along with the dedicated leadership of Rick Montanio, superior individual efforts were put forth by Bruce Nangle, Louis Koory, Bob Stone and Tom Saake. Team members held various outstanding awards, and are listed on the following page. The season ended with the Eagles holding an 8-2 record. Credit for the team's performance goes not only to the players, but to the many, many enthusiastic fans supporting them.

Stamina is a key word in Volleyball, and these girls have it. The Varsity team did an excellent job of displaying technique and quality this year.

They demonstrated their success, especially in their fine team spirit. And, since the team is composed entirely of undergraduates, Chaminade may again witness the hard work and effort that these girls put out in the 1980 season.

With senior leaders such as those on the J.V. Volleyball team, it wasn't difficult to see the firm dedication amongst this year's team members. There was a declared unity in the team that really let the girls prove their pin-point skills. And, even though a number of players are graduating, the rest of the team will still carry on for a fantastic next season!

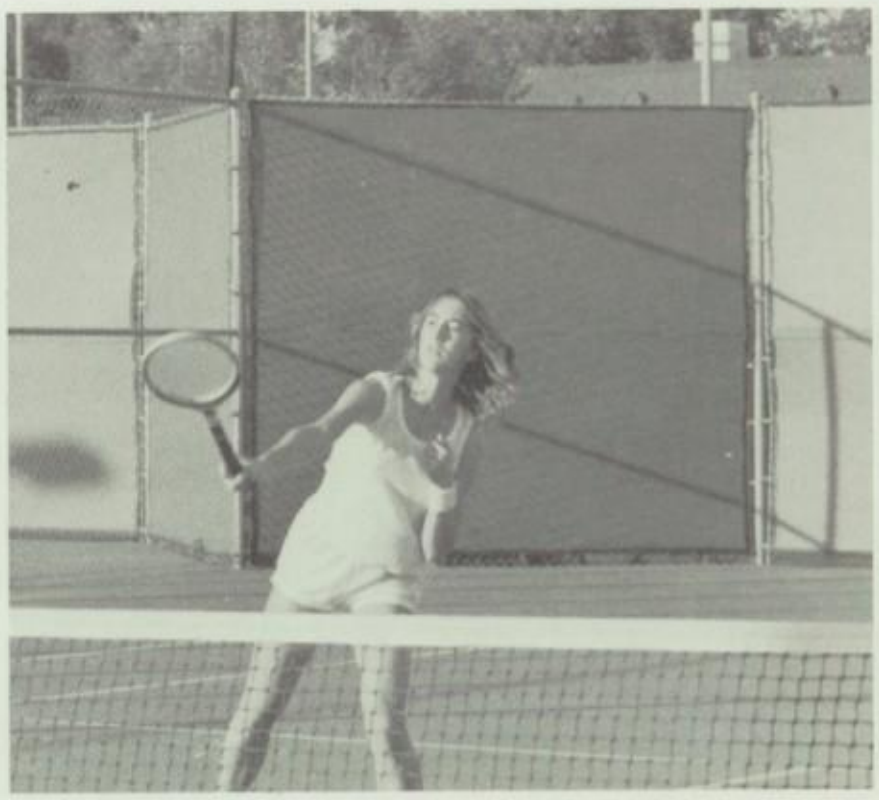
CYO VOLLEYBALL

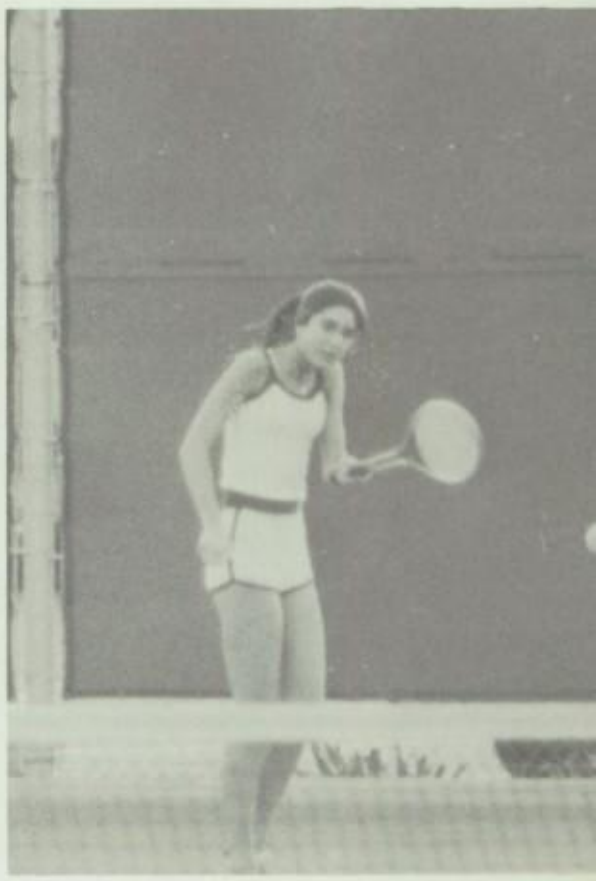
Front Row, Grace Korek, Kelly Sund, Karen Miller, Lynn Wieczorek; Second Row, Mrs. Pozzi (Coach), Karen Postelwait, Tracy Lamb, Pam Shahan, Shawna Morton; Back Row, Erin Morton, Andrea McHale, Grace Fabian.

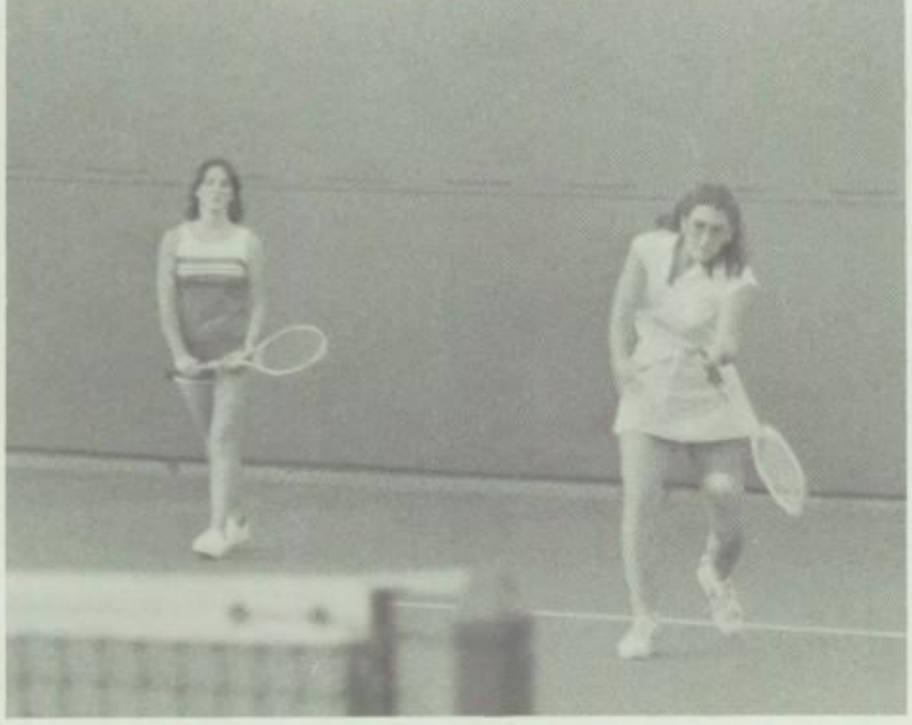
GIRLS' TENNIS

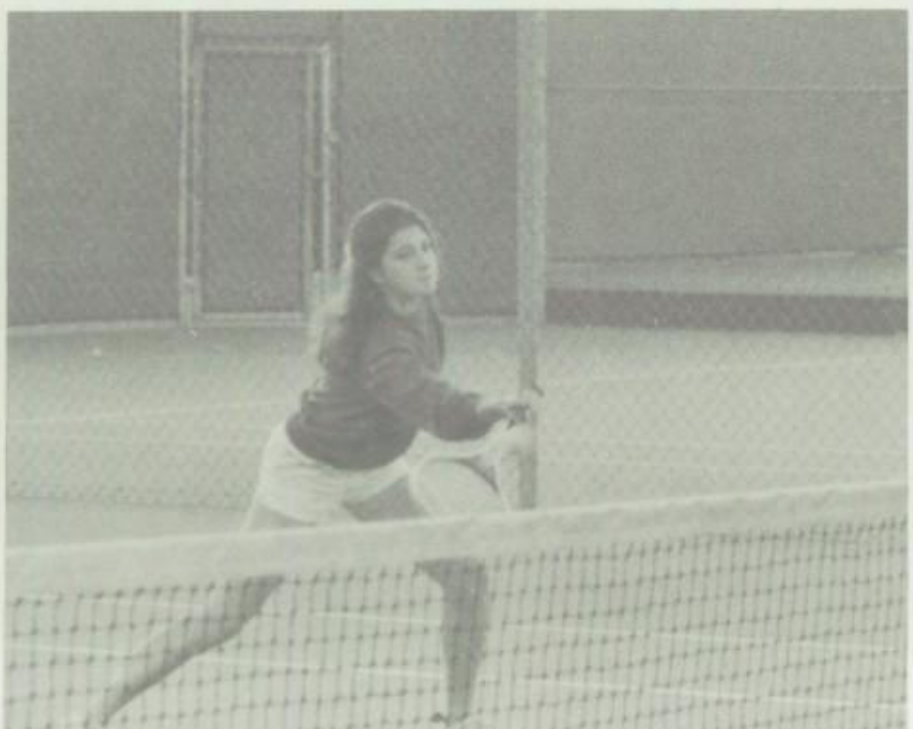
Members: Front Row, Andrea Ajhar, Beth Decker, Mary O'Flaherty, Lisa Lupo; Back Row, Erin Flannery, Shari Mount, Sue Ellen Haarar, Judy Cassadenti.

Girls' Tennis had a tremendous season this year. They placed fourth in their league. Not only was it a successful year, but it was a fun one too. Not one game went by without them embarrassing their inspiring coach, Mike Lynn. Put in many predicaments, he still managed to keep his sanity. The girls ended their season with a fun-filled weekend at a Malibu beach house. After all of their tough practices and grueling matches, it was a great way for them to relax. The team truly represented great sportsmenship and talent. They proved that there is more to tennis than just, fore-hands, backhands, and serves.





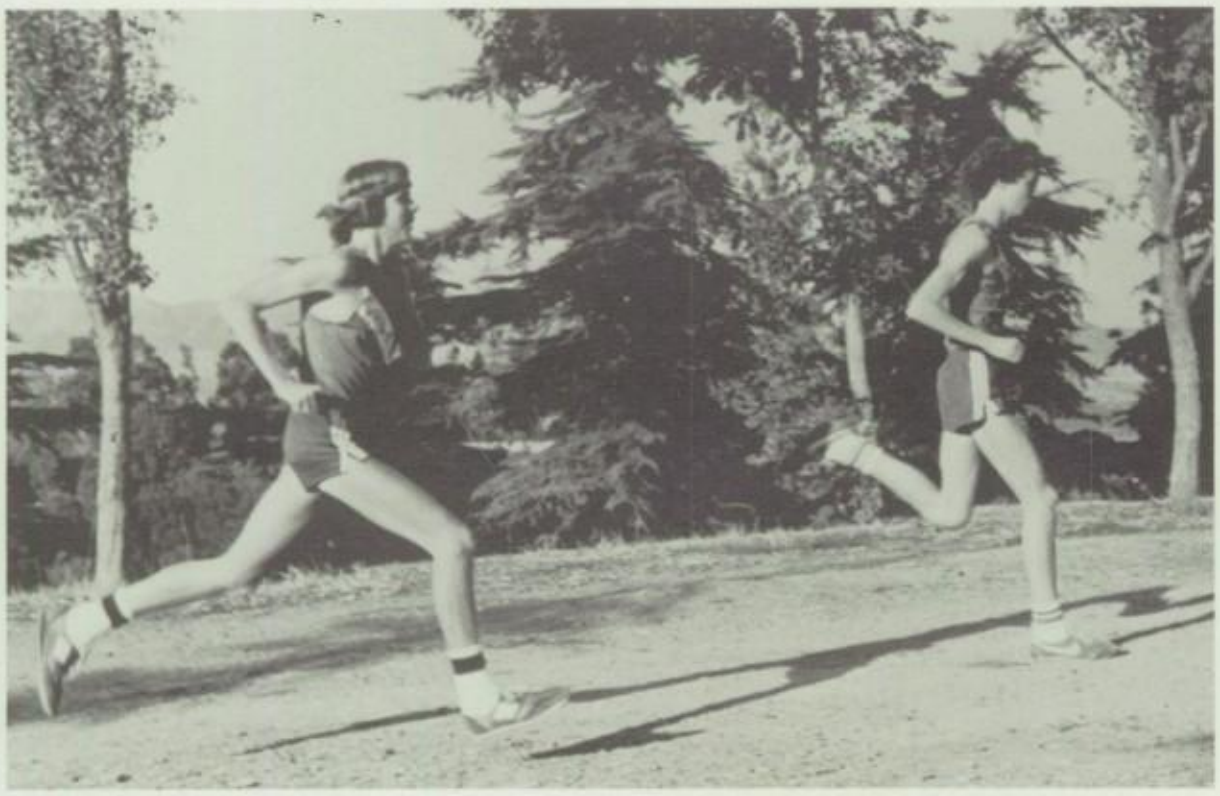




BOY'S CROSS COUNTRY

Front Row, Pat Middleton, Glenn Ziemski, Steve Coulter; Second Row, Coach Rauser, Dave Peel, Pat Quinlan, Phil Wilhite.

With Coach Rauser putting his experience to work, the Boy's Cross Country Team had an excellent season. There were few dull moments, and plenty of hard work paid off in the end. An even more spectacular season may come next year, for few of this year's members are graduating. There will be a lot of experience and talent running for Chaminade in the future.



GIRLS' CROSS COUNTRY

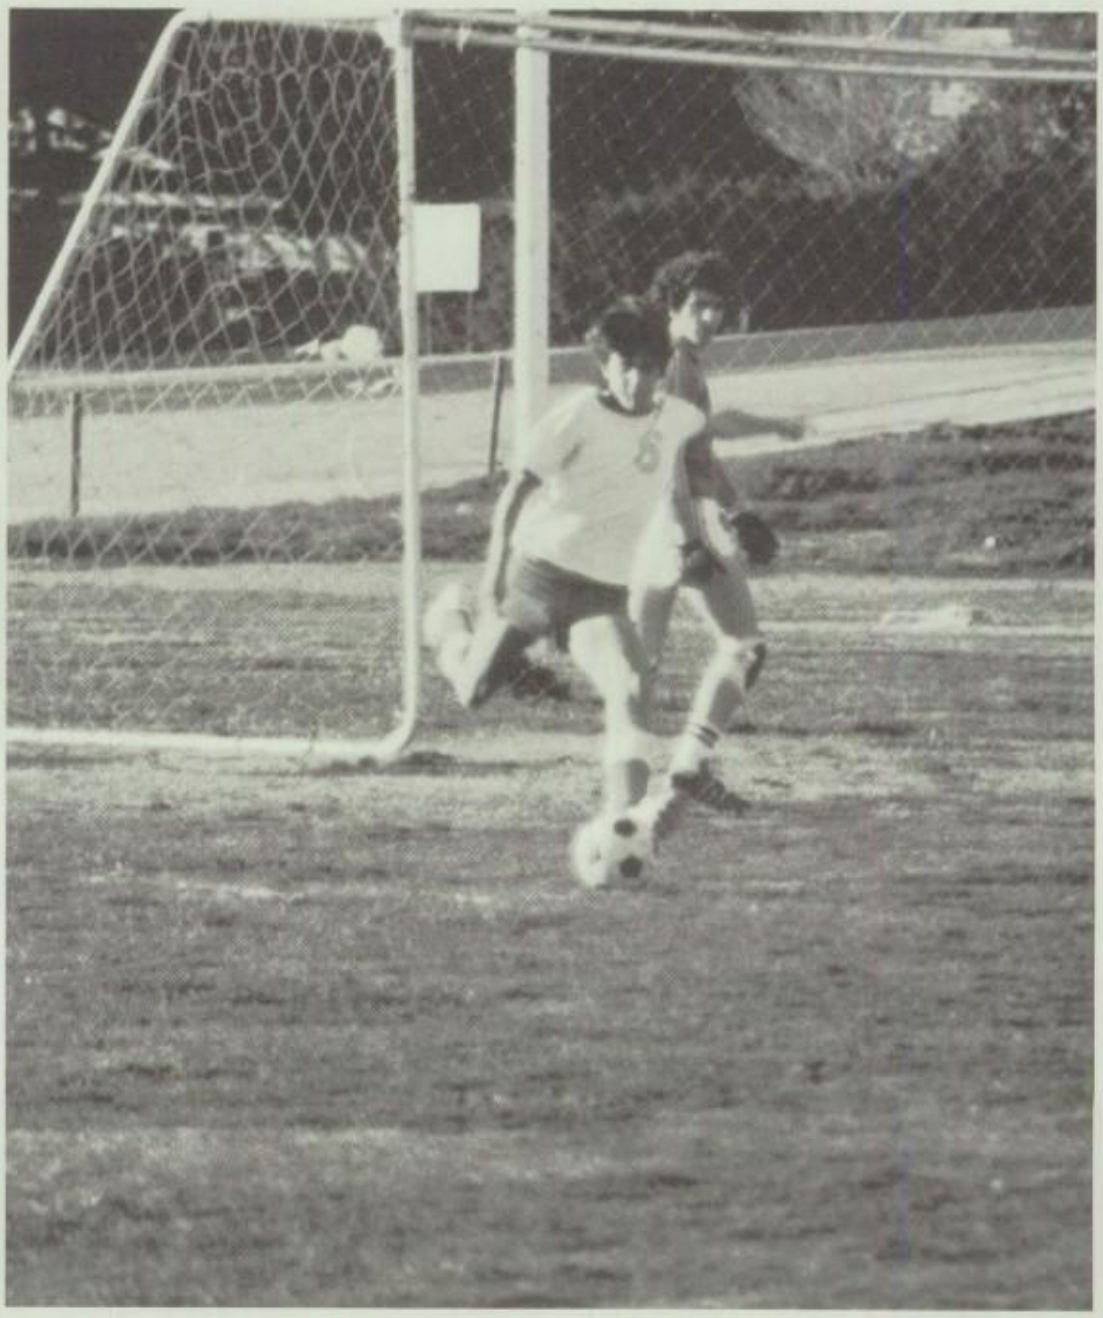
First Row, Bonnie Bernor, Sheila McGinn, Annette Scarcello, Stephanie Barton; Second Row, Diane Klein, Cindy Cooper, Lori Wilson, Lisa Lester; Third Row, Naomi Sheratte, Monica Burford, Mr. Rauser.

Cross Country is not a sport for the feeble-hearted, as shown by our Girl's Cross Country team this year. With the dedicated coaching of Mr. Rauser, his "Runners" brought back many close races and wins. With only one of the members graduating this year, the prospect for an outstanding team next year is very real.

VARSITY SOCCER

Front Row, Carlo Orshani, Yuvomir Granich, Jimmy Yp, Reza Roostaeyan, Fiyodor Mikhael-Far; Second Row, Tsunenori Tate, Robert Cyffka, Marcus Mancini, Kirby Furlong, Arturo Esquer, Jay Leupp, Benny Zeolla, Joe Cabaret

With Coach Otto Lazlo leading the way, the Eagles soon established themselves in the league, causing many an opponent to sigh in despair. Although many of the members are graduating, there is still a large reservoir of young talent. This will ensure an equal, if not superior, performance next year.



J.V. SOCCER

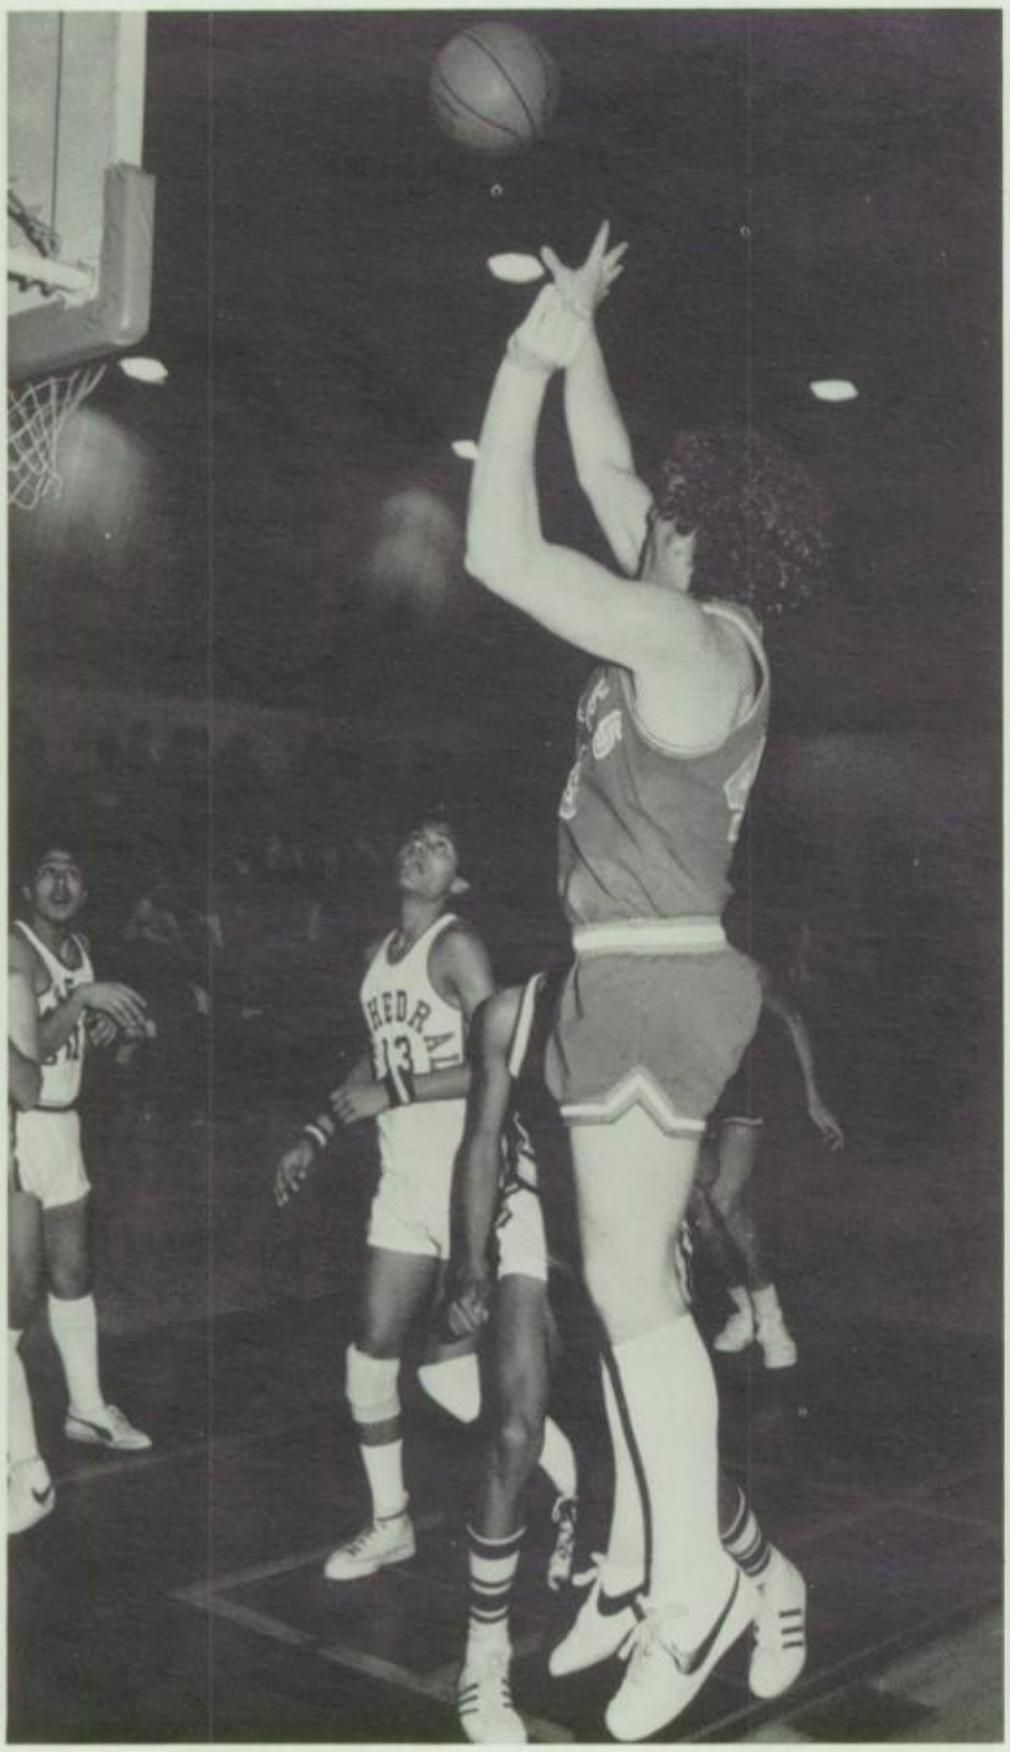
Front Row: Heinrich Canthal, Kevin Leehey, John Leupp, Pat Donohoe; Second Row: Charles Allio, Amadeo Ferraro, Tom Bogna, Denis McGilvray, Mike Devita, Andrew Belfatto.

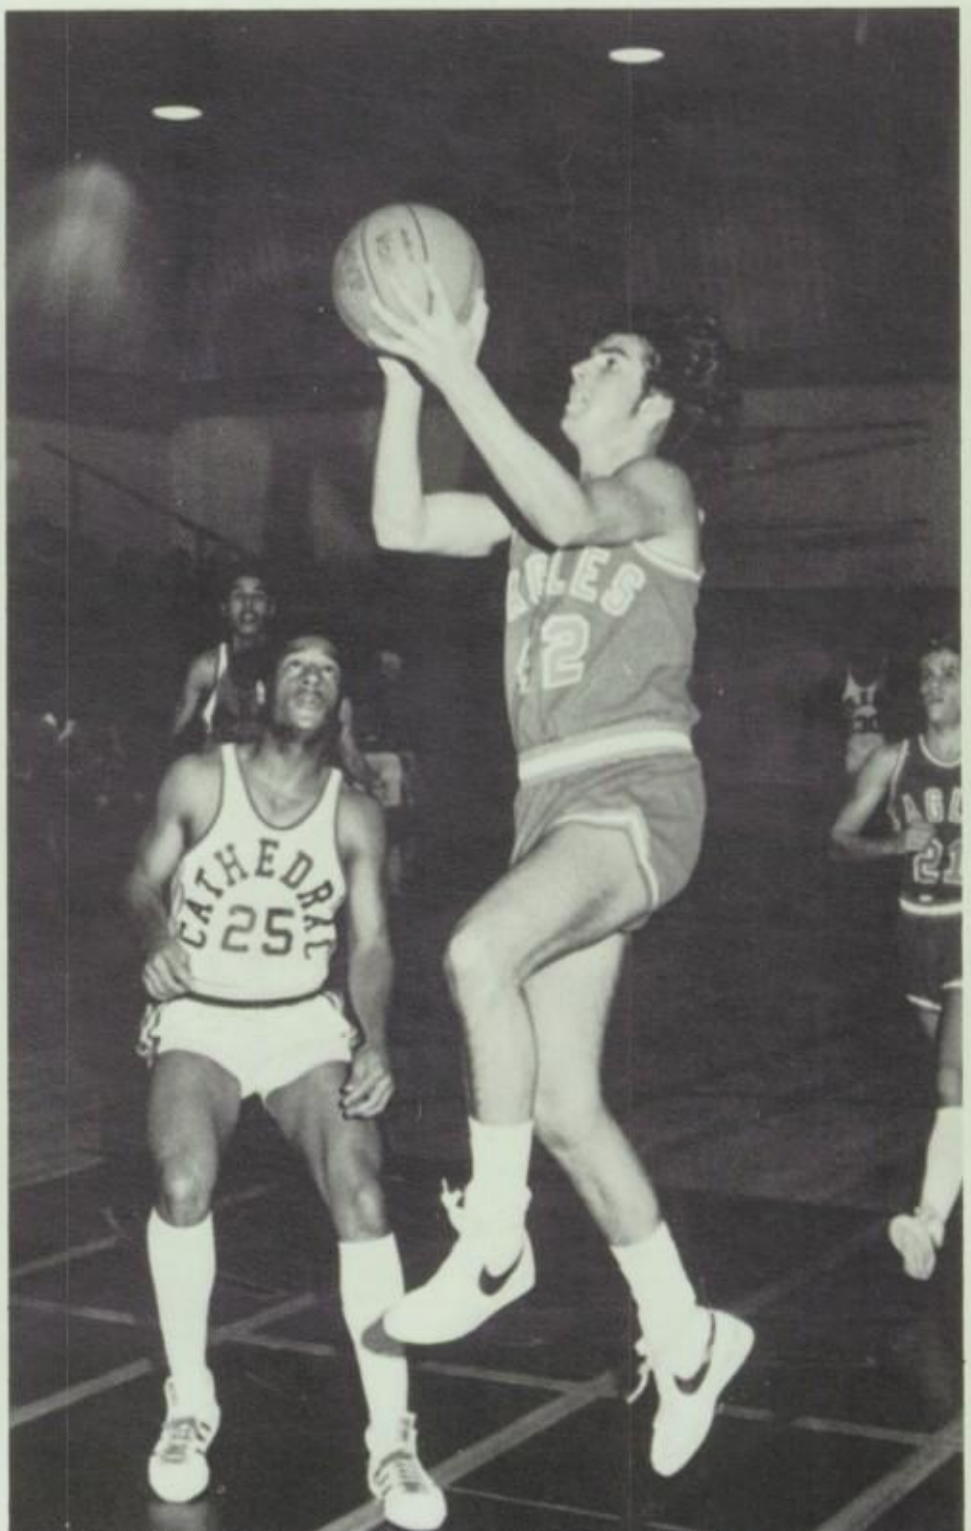
With the enthusiasm of his U.S.C. Soccer team, Coach Rolf Wicksell coached this year's J.V. Soccer team into an excellent example of what teamwork can accomplish. Most of this seaon's players will return to play again next year on the Varsity team.

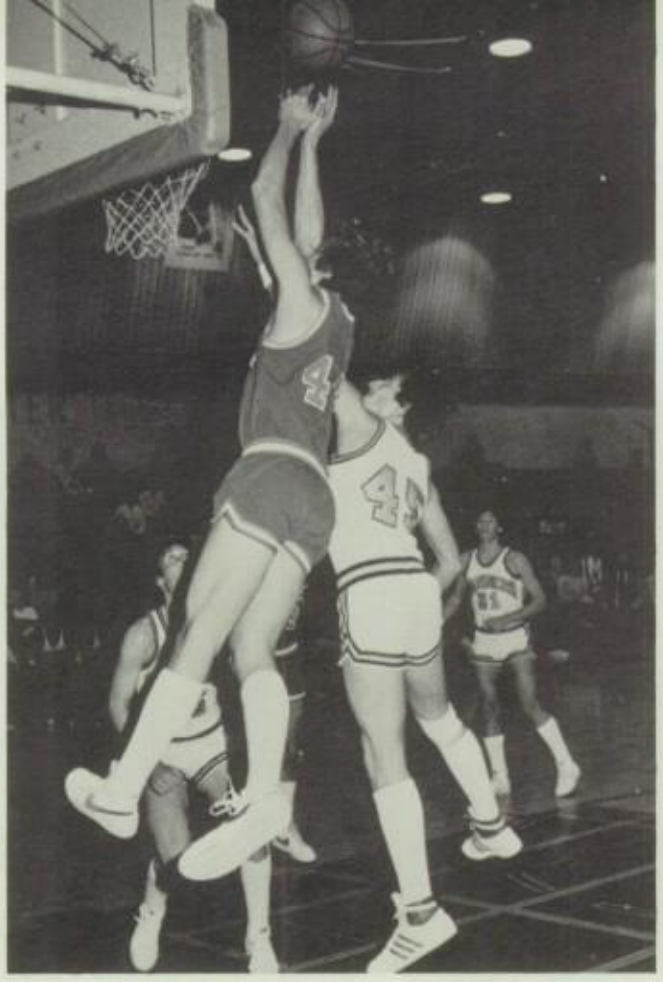
VARSITY BASKETBALL

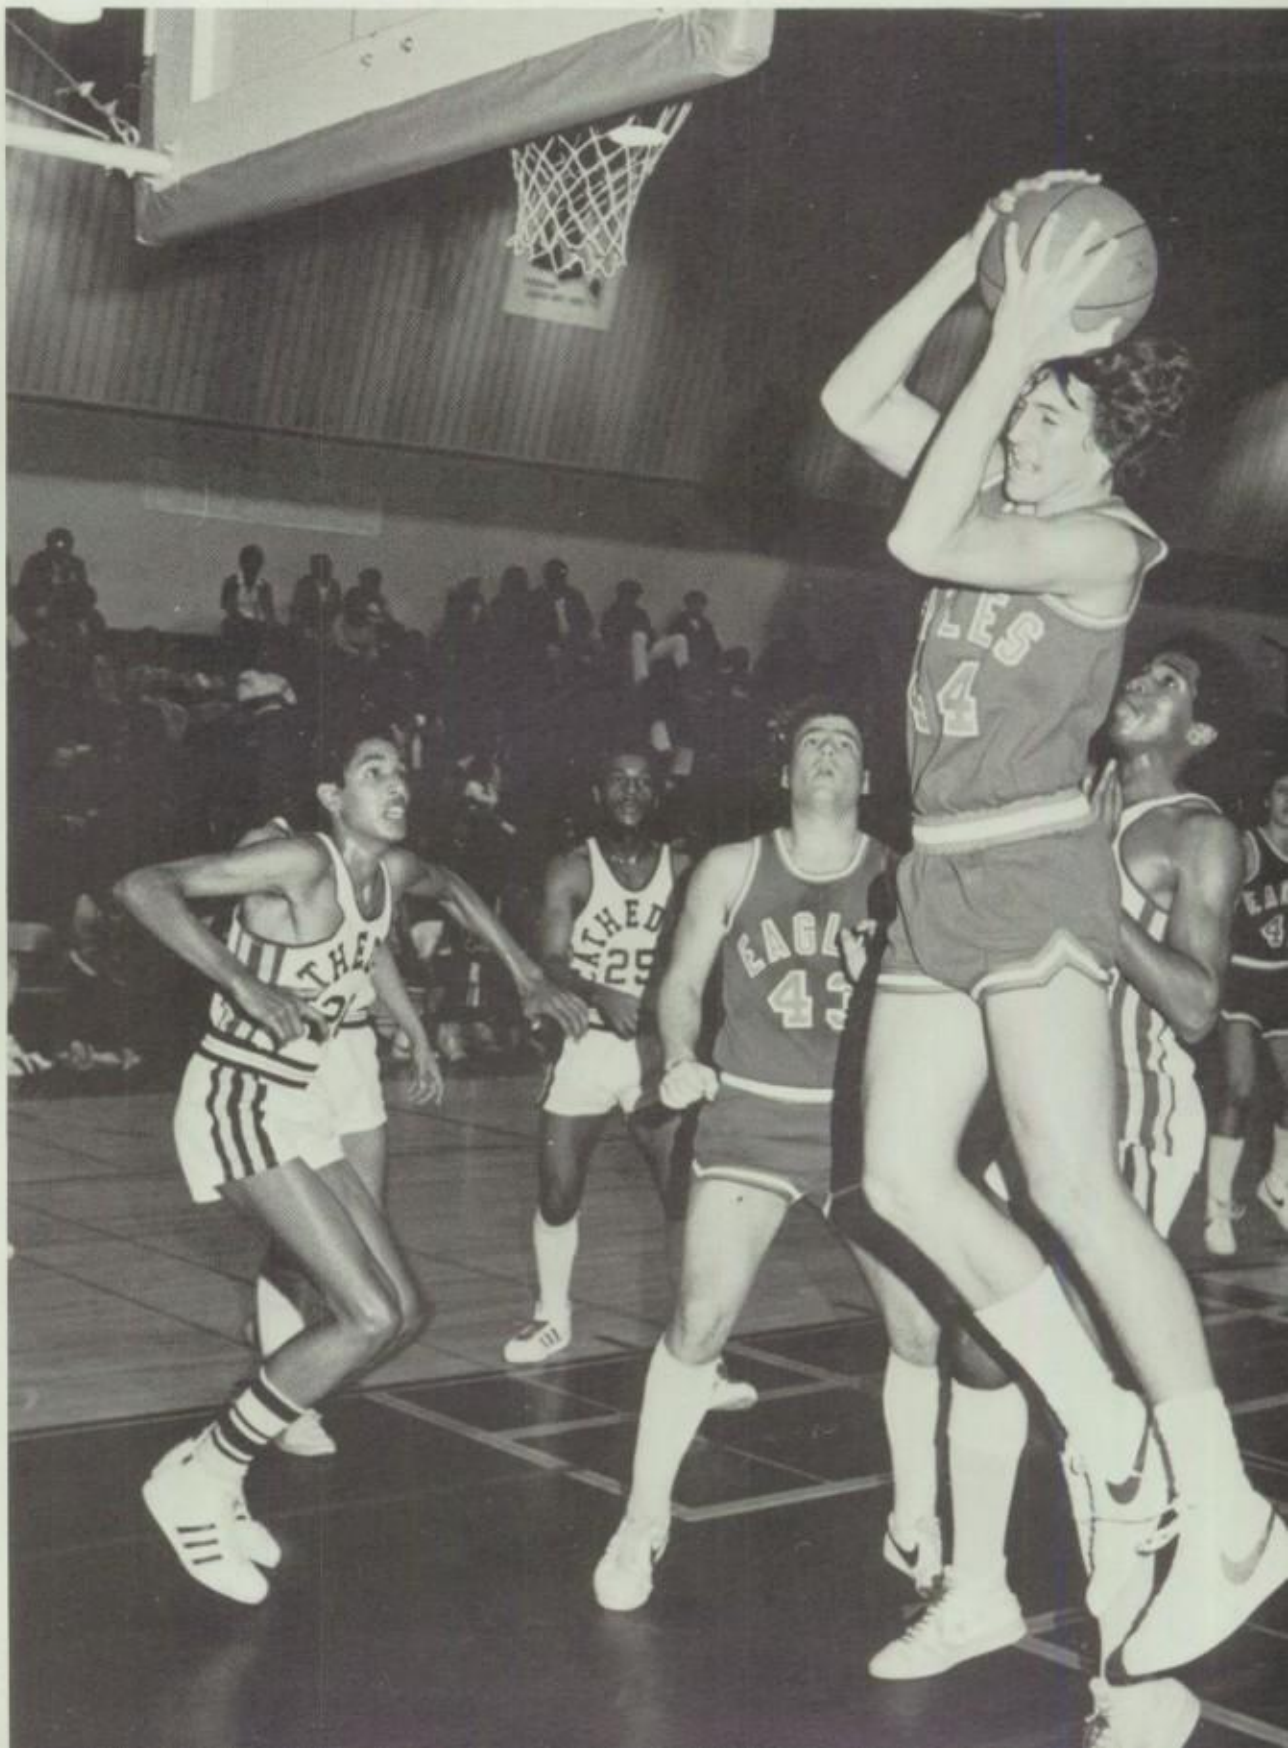
(left to right) Top: Coach Mike Lynn, Dean Stroud, Mike Stone, Lance Palmieri, Joe Fabian, Mike Brown, Wes Wojdon, Coach Steve Caruso. Bottom: Steve Brown, Matt Guastaldo, Kike Wheatman, Harry Longwell, John Burke.

The Varsity Basketball Team turned itself around this year because of many individual efforts and the coaching of Mr. Caruso. The team was highly spirited, as were the numerous fans attending each game. The season ended with a long list of wins gained against many very tough adversaries.





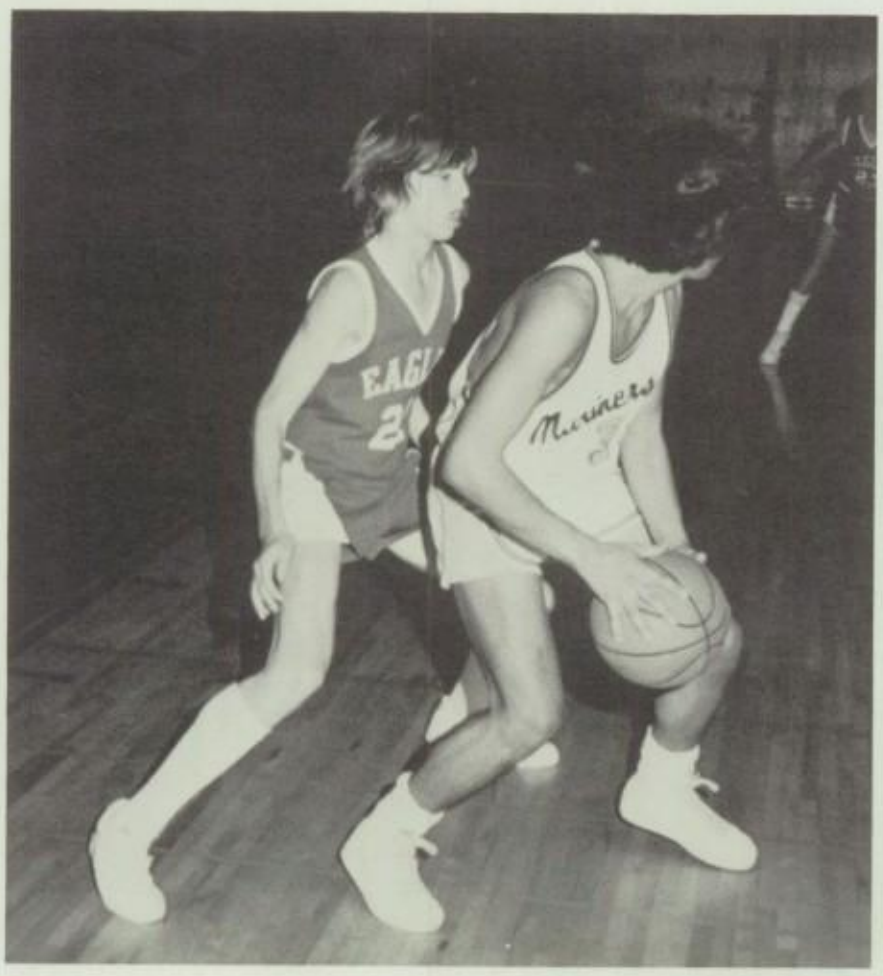




J.V. BOY'S BASKETBALL

Front Row: Mike Farrell, Paxton Longwell, Norman Dorais, Bill Stein, Brian Coulter; Back Row: Coach Lassiter, Steve Chernoff, Dan Teolla, Mike Dolan, Mike Fitzgerald, Randy Stone, Andy Fuhrman.

J.V. means "Junior Varsity", but this Junior team really knows how to play! This year's J.V. Boys' Basketball team painstakingly strove to achieve the highest goal in sportsmanship: solid team effort. Their fearless coach, Steve Lassiter, exercised fortitude and discipline, leading the players to their high level of achievement. Their advancements were marked clearly by swift decisions and good judgement, and the team, as a whole, worked with the efficiency of a well-oiled machine. We can only wait and watch as these masters of the court try to top our expectations for next year.



FRESHMEN BASKETBALL

Team Members: Front Row, Kurt Weston, Randy Voogt, Ben Garrett; Middle Row, Tim Riley, David Bowler, Scott Staten, Ron Laubacker; Back Row, Jim Miller, Jack Morgan, Carl Fischer, Eric East, Coach Quentin Panek.

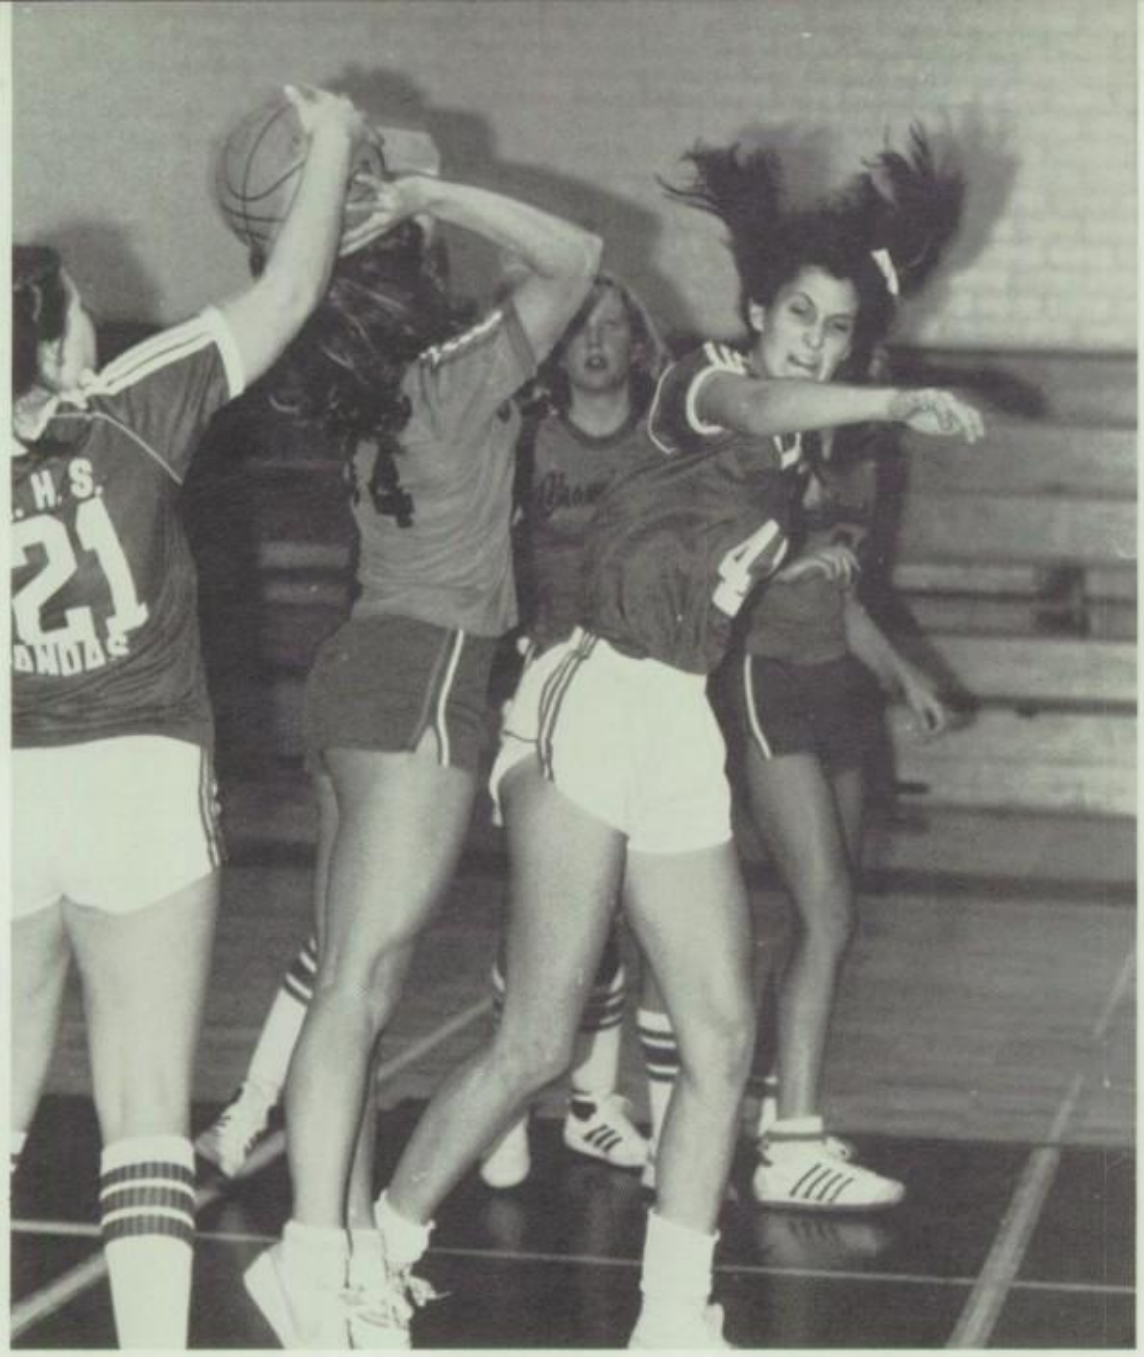
GIRLS' BASKETBALL

(left to right) Coach Kathy Morley, Kathy Smith, Joyce Petty, Lisa Lester, Kayellen Young, Karen Young, Sally Biersky, Betsy Smith, Maryellen Alymer, Monique Hitzman.

Girl's Varsity Basketball team made excellent progress in it's season this year. During this season all players contributed both personal and team efforts resulting in favorable results. With few players leaving in June, a lot of experience and skill will be available next year to improve their record.



J.V. GIRLS' BASKETBALL

(left to right) Top: Coach Davis Lester, Melanie Stetz, Kathy Babayan, Kelly Boyd, Sue Wismere, Coach Bill Biarsky. Bottom: Marina Baldocchi, Tina Scarpellli, Pam DeCorte, Beth Fertig. (Not shown: Ginger Larson.)

A brilliant performance was given this season by the Girl's J.V. Basketball team. Many returning players will be a major asset to the Varsity team through their skill and experience. A highly competative team is in the making for next year.

CYO GIRLS' BASKETBALL

Team Members: Front Row, Elizabeth McMorrow, Melody Balobalo, Erin Wilson; Middle Row, Heeyon Kim, Janet Saldutti, Carrie, Fenwick, Lynn Lamier; Top Row, Beth Macies, Karin Ahl, Kristin Grove, Andrea McHale.

BOYS' TRACK

THE 1980 CHAMINADE BOYS' S TRACK TEAM

This year's Boys' Track Team gave an outstanding performance. While the team is a young one, much of the credit for this year's season goes to talented seniors like Pat Quinlan, Dave Peel, Frank Zuniga, and Ron Monasterio. Their experience and talent was a valuable asset to the team. There will be no lack of talent in the future, however, as the young participants of this year will surely go on to become the stars of the future.

GIRLS' TRACK

THE 1980 CHAMINADE GIRLS' TRACK TEAM

Marked by discipline, determination, and fervor, 1980 was a productive year for the Girls' Track Team. Hardships suffered by these gifted girls were few, due to the rigorous preparation and strong enthusiasm which enabled them to perform to the utmost of their abilities. They pride themselves on an impressive past; a successful future awaits them.

CAMPUS MINISTRY

The purpose of campus ministry is to promote Christian growth and development among the total school community. This year, campus ministry members have shown their concern for the needs of all by providing services in the following areas: service support for liturgical events, programs to develop and improve Christian attitudes, and involvement in Christian Service. On the Canoga campus, Miss Elizabeth Wenner moderates the group. Miss Louise Bereswill is moderator at the Chatsworth campus.

The religious affairs singing group, under the direction of moderator Mr. Christopher Redondo, is a very active organization. Like the campus ministry groups, they attempt to promote student body involvement at mass. These golden voices have contributed much to our spiritual celebrations.

The spirit, enthusiasm, and excitement of Chaminade sports are kept at a feverish pitch by the Varsity and Junior Varsity Cheerleaders, and the Songleaders. These girls excite stadium and gymnasium crowds with their precisely executed routines. They also maintain student body enthusiasm with fast-paced pep rallies. The girls on each squad worked hard during the summer to perfect their skills. Their exciting performances are a credit to their efforts, and contribute a vital element to the great spirit of Chaminade Sports.

Chaminade's Drama program has always been one to be proud of, and this year is no exception. With the guidance of Mrs. Juliet Rohde (right) and Mrs. Carole Kirby (left), both campuses have been able to make their diligent efforts pay-off. This Fall, the Canoga Park campus featured the witty comedy, ***The Philadelphia Story,*** and the all-girl curtain-raiser, ***So Wonderful In White.*** The fine performances were further enhanced by a truly elegant set. It all goes to show that Drama is a first class display of Chaminade Spirit!

The dormitory residents have given themselves a "new look" for the year 1979-80. Under the direction of Mr. and Mrs. Larry Bolton, the dorm boasts a year of enthusiastic involvement in many school activities, including athletics and clubs. Another "new" for this year - a dorm student government led by president Mike Magpile.

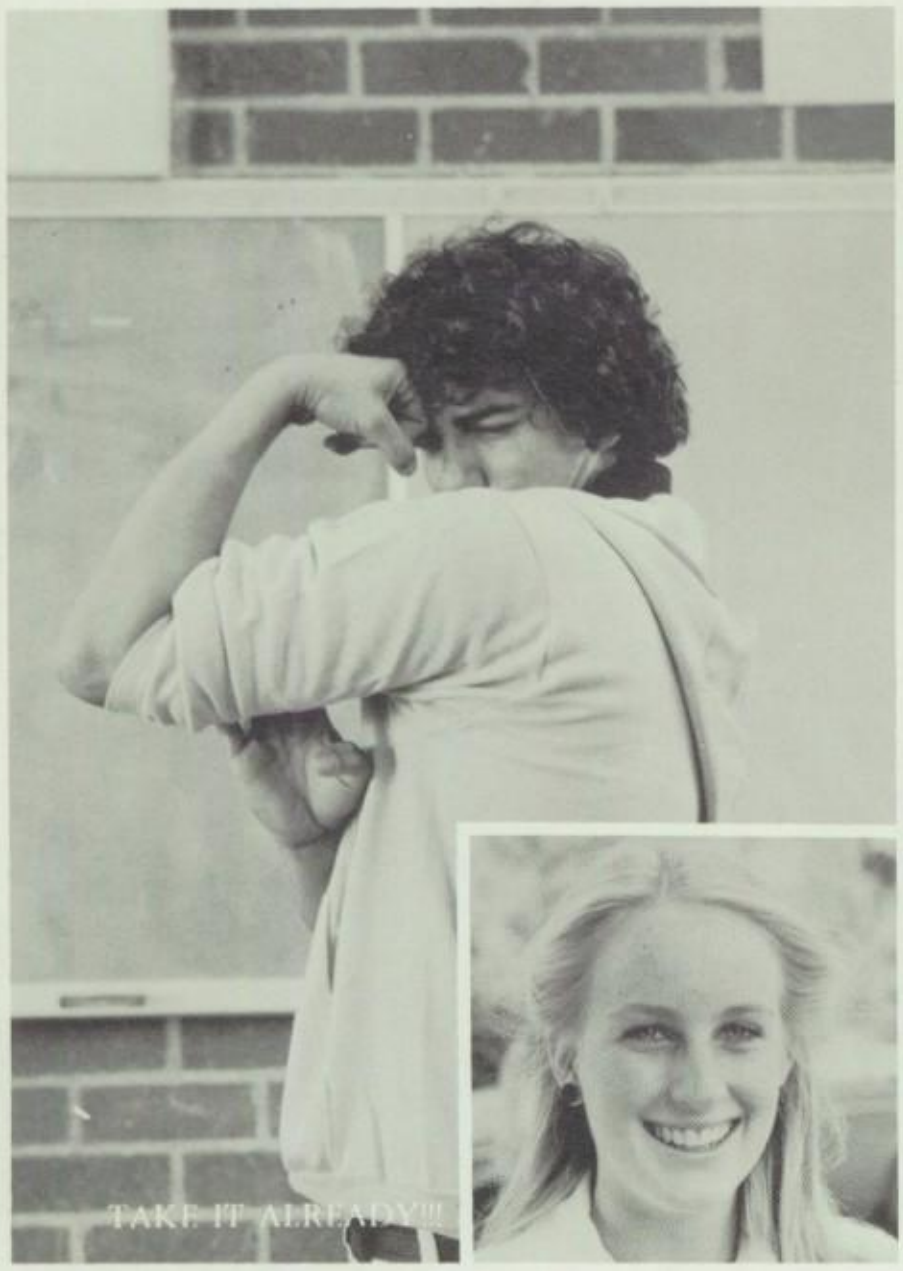
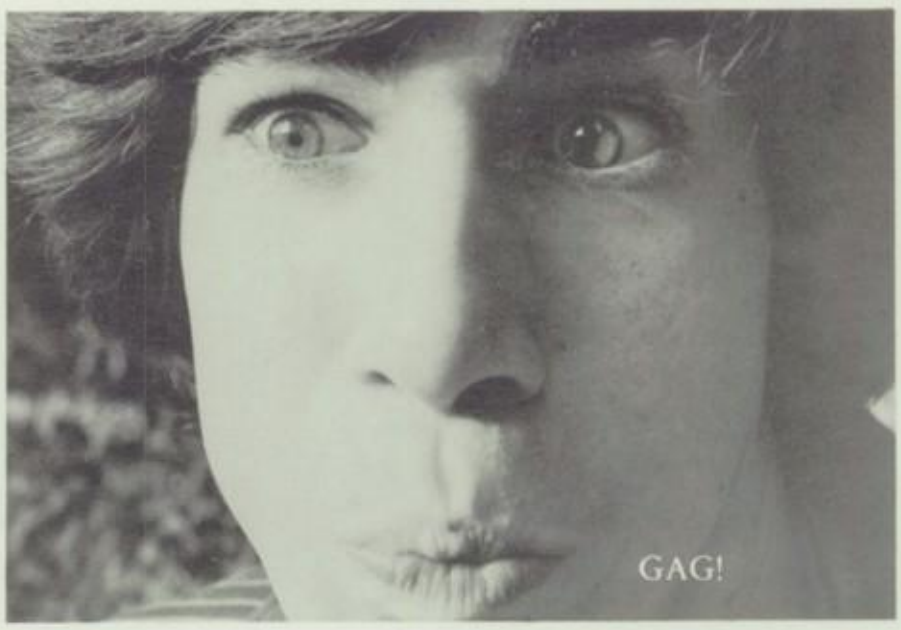
IN CLOSING . . .

Well, the 1980 Aerie's finally finished! After the endless hours of hard work I can still say I'm glad I had the chance to do it. It never could have been done by one person, though, so I have to thank a few people: Tony Kluck, your other editor, for all of his hard work, devotion, and other contributions to the making of the book; Anna Howard, our copy editor, who'll never know how much I appreciate the work she did; Dave Peel, our business manager, who didn't fail me (good work Dave); Brother Masa, without whose late night developing the book would have never made it out on time; Annette Gonzales, for all her work and support! Hap Zavack, who always ready to lend advice or help; Bob Cyffka, our sports editor, for all the work he did on the sports section and otherwise; Lynn Basset, our senior editor, for all her help; my parents, for putting up with all this; Mr. Benson, my friends, the rest of the staff, and anyone else who helped in any way to make this edition of the Aerie a success.

THANK YOU!
MICHAEL A. LUPO





SHOCKING SAYINGS

TONY AND COMPANY

First of all, THANK YOU to the staff, and everyone who took time out to help: you all know who you are, and there isn't enough space here to list you all. THANK YOU, Mr. Péloso, for being so helpful and patient with us; Bro. George Masa, for taking so many of our photos and developing too. To Mr. Benson, our Moderator, for his help and guidance, and Hap Zavack, our Yearbook Rep. who clarified so many things for us, THANKS! THANK YOU also to Mrs. Carole Kirby and her family for putting up with me! And to the Rohde Family, who were alll so generous with ideas for my ***Shocking Sayings,*** and with Drama. THANKS to all my friends that I could not put on this page (for lack of room); you've all been so kind. And THANK YOU to my parents, without whom I would never have been able to work on the book. Please excuse all errors, within reason, of course, but ***you*** just try to put out a yearbook, and see how difficult it is not to make mistakes! RULA LIVES!
